It is recommended that students majoring in art transfer to NIU after one year or more at the community college. Students who enter NIU with an A.A., A.S., A.F.A., or A.A.T. degree should expect to spend an additional 2-3 years at NIU completing their degree, depending upon what courses were completed at the community college; therefore, transfer with the following courses completed is recommended. It is also strongly recommended that students speak with a representative of the School of Art and Design for more information about the program they wish to pursue. Please call 815-753-1473 to schedule an appointment.
