Update on SPA Initiatives

1. Enhance funding development
   - Expand professional development series to include parallel funding development and grant administration tracks
   - Internal cross-training of SPA staff – build out expertise

2. Update or develop policies to reflect current institutional structure and funding climate
   - Core facilities and recharge centers
   - External funding classifications (Foundation, Outreach, and SPA)

3. Streamline business processes to reduce administrative burden
   - Implemented electronic proposal routing
   - System integration and functionality
1. University funding portfolio is changing to reflect current institutional priorities and program alignment.

2. Proposal and award activity for research is continuing to increase.

3. Federal research funding is critical to NIU’s student-centered research mission.

4. External funding landscape continues to change in complexity and be highly competitive.

5. SPA is responding to the changing landscape to help PIs meet new demands of sponsored funding.
