The vision of Waugh Foods is focused around teaming with customers to provide services and ideas of which they would not otherwise have time to take advantage. Our story began in 1948 when, with the dream that frozen food was the way of the future, Joseph A. Waugh, Sr. founded Waugh Frozen Food Company. As business grew, so did the company and it’s facilities. By the time the second generation began joining in the late 1970’s, the company had twelve employees and three trucks running.
