Navistar Scholars Fund in Engineering and Engineering Technology Scholarship

The purpose of the Fund is to provide scholarship and program support for accomplished students entering the College of Engineering and Engineering Technology.

**The Award:**
One scholarship valued at $2,000 for one academic year and is renewable. The scholarship will be administered for $1,000 in Fall and $1,000 in Spring.

Scholarships awarded to incoming freshmen will be for four academic years, provided the recipient remains in good standing and continues pursuing a degree in the college. Scholarships awarded to transfer juniors will be for two academic years provided the recipient remains in good academic standing and continues pursuing a degree in the college.

**Eligibility:**
- The preferred candidate must be an incoming freshmen or a transfer junior registered as a full-time undergraduate degree seeking student in the College of Engineering & Engineering Technology.
- Candidates must submit a one page, single spaced essay on academic and professional goals as well as why they should be awarded this scholarship (address in personal statement).
- For incoming freshmen, applicants must have a composite ACT score of 30 or higher, and a high school class ranking in the top 25th percentile.
- For incoming transfer junior level students being considered for a two year award must have an accumulative transfer grade point average of 3.25 (4 point scale) or higher.
- Interview(s) may be required.

**Requirements:**
- Recipient must agree to engage in a paid summer internship at Donor and act as an on-campus ambassador for the Donor throughout the year. As an on-campus ambassador the recipient is required to join the CEET Ambassadors Club. This includes attending regular Ambassadors Club meetings and training sessions, and assisting as needed with college events (Open Houses, Admitted Students Day, college tours, working with high schools under the CEET Adopt-A-High-School Project, etc.). The obligation will not exceed more than 5 hours a week.
- Remain a declared major in the College of Engineering and Engineering Technology
- Recipient must remain in good academic standing
- Recipient must maintain a positive feedback from the sponsoring corporation.

**About the donor:**
Navistar, Inc. is a holding company whose individual units provide integrated and best-in-class transportation solutions. Based in Lisle, IL, the Donor and its affiliates produce International® brand commercial trucks, mid-range diesel engines and IC Bus™ school buses, and Workhorse® brand chassis for motor homes and step vans. It is a private-label designer and manufacturer of diesel engines for the pickup truck, van, and SUV markets. The Donor also provides truck and diesel engine parts and service. A wholly owned subsidiary offers financing services.
