Automation Direct
Technology Scholarship Fund

The purpose of this award is to provide scholarship support for students at Northern Illinois University who are pursuing an undergraduate degree in Manufacturing Engineering Technology or Industrial Management & Technology (CAD or Manufacturing area of study).

The Award:
The award is variable in dollar amount and number of scholarships given each year. The scholarship will be administered in the Fall semester and is not renewable. The award may be applied to tuition, enrollment and course-related fees, or required bookstore charges assessed to the student’s university account.

Eligibility:
 Candidates must be a declared major in Manufacturing Engineering Technology or Industrial Management & Technology (CAD or Manufacturing area of study).
 Candidates must have a minimum NIU cumulative GPA of 2.00.
 Candidates must be enrolled at NIU as full-time undergraduate students. Full-time is defined as a minimum of 12 semester hours of course work per semester.
 Candidates cannot be a previous recipient of Automation Direct scholarship.

Requirements:
 Recipients must remain a declared Technology major for the academic year.
 Recipients must maintain a NIU cumulative GPA of 2.0.
 Recipients must earn a minimum of 12 semester hours each semester (fall and spring) for the academic year of the award.
