Part-Time Math and Science Tutor

Tutoring Club, 3124 South Route 59, Suite 138, Naperville, IL 60564, 630-922-8886, tutoringclub@att.net

Tutoring Club of Naperville is looking for enthusiastic and talented math/science tutors to join our team.

The opportunity:

- $16 - $20 per hour depending on skill set.
- Assist students with homework and test preparation in algebra, geometry, and advanced algebra.
- Work with ACT math and science and SAT math preparation students.
- Pre-calculus, calculus, chemistry, physics, or biology are plusses.
- Ability to work with younger math students until your high school practice builds.

The benefits of working for us:

- All of your time is devoted to teaching. Our tutors do not plan lessons, arrange tutoring schedules, or communicate with parents.
- Since all tutoring is delivered at our learning center, there is no time-consuming and costly travel to meet with your students.
- If you are a secondary math education major, your experience with our students is a great resume builder. We will be happy to be a reference for you.
- Training is provided in our math programs.

Qualifications:

- Must be available at least two days per week (Monday through Thursday) from 4:00 to 8:00. Depending on the number of days worked, weekly hours can range from 6 to 16 hours.
- Bachelor’s degree or student pursuing a math degree.
- Prior teaching or tutoring experience preferred, but will also consider others with strong math and science skills.
- Candidates will be given a math proficiency test.
