Part-Time Tutor, Generalist

Tutoring Club, 3214 South Route 59, Suite 138, Naperville, IL 60564, 630-922-8886, tutoringclub@att.net

Tutoring Club of Naperville is looking for enthusiastic and talented tutors to join our team. We provide reading, writing, and math instruction to children in grades kindergarten through 12 in order to improve skills and confidence.

The opportunity:

- $14 to $16 per hour depending on experience and skill-set.
- Reading through 12th grade, English/Language Arts through 6th grade, Math through 5th grade
- Middle school math or language arts a plus.

The benefits of working for us:

- All of your time is devoted to teaching. Our tutors do not plan lessons, arrange tutoring schedules, or communicate with parents.
- Since all tutoring is delivered at our learning center, there is no time-consuming and costly travel to meet with your students.
- We serve a diverse student population and strive to meet the educational needs of our community. Some students require skill remediation; others seek qualification for gifted and talented programs. Many just want to maintain great grades.
- This position allows for year-round employment.
- Paid training is provided in our educational programs.
- Experience in our teaching environment is a great resume enhancer. We are also glad to be a reference for you.
- See the diversity of our curricular offerings at tutoringclub.com/Naperville homepage by selecting the “school year programs” link.

Qualifications:

- Must be available between two and four days per week (Monday through Thursday) from 4:00 to 8:00.
- Qualified candidates must have teaching or substitute certificate or be a student working toward an education degree.
- Prior teaching or tutoring experience preferred.
