Additional Costs for NIU Nursing Students

**B.S. in Nursing** students experience costs associated with the program that are charged by entities other than NIU. Costs will vary by student. Examples of miscellaneous costs include uniforms, stethoscope, clinical shoes, required clinical watch, transportation to and from clinical agencies, criminal background check, CPR certification and/or renewal, drug screening, vaccines and the NCLEX exam.

**M.S. in Nursing** students may also have additional cost for medical software, transportation to and from clinical agencies, criminal background checks, vaccines, CPR renewal, and certification exams for Nurse Practitioner and Clinical Nurse Specialist.
