ANTHROPOLOGY

Greenville Zoo for "Building a Future, One Lemur at a Time: Identifying Eulemur rubriventer’s dietary strategies and constraints, and their implications for in situ and ex situ conservation." Amanda Du Bour/Mitchell Irwin.
Award: $1,000.00.
April 24, 2016 - December 30, 2016. (Organized Research) Basic Research.
This project will advance understanding of E. rubriventer’s nutritional needs and dietary overlap with other Eulemur species, as well as quantify nutritional outcomes and strategies using the geometric framework of nutrition.

Award: $19,750.00.
The Pick Museum of Anthropology and the Center for Southeast Asian Studies at NIU are embarking on a two-year project to document and preserve the culture and resettlement experiences of Burmese Karen refugees living in Aurora, Illinois.

Award: $20,000.00.
June 1, 2016 - May 31, 2017. (Other Sponsored Activities) Public Service.
The Pick Museum of Anthropology, Center for Southeast Asian Studies, and the Center for Burma Studies will document, preserve and share the recent history and resettlement experiences of Burmese Karen refugees now living in northern Illinois.

Award: $1,400.00.
June 1, 2016 - May 31, 2017. (Organized Research) Basic Research.
Researchers will examine genetic diversity among populations of Callimico and Cebuella from the western Amazon basin to evaluate if they represent one interbreeding population or one or more distinct populations or species.

Award: $69,204.00. (Cumulative $157,713.00).
This project studies the long-term social, cultural, and political impact of international NGO aid in eight rural areas in Haiti, and includes a field school for U.S. graduate students and a NGO Summer Institute and research methods seminar.
BIOLOGICAL SCIENCES

Lake County Forest Preserve District for "Lake County Forest Preserve District." Nicholas Barber/Holly Jones/Richard B. King.
Award: $175,012.00.

The purpose of the project is to provide field data collection and reporting as an assessment of the presence of fauna species in multiple forest preserves throughout Lake County.

Vietnam Education Foundation for "Graduate Fellowship in Biology for Van Ai BUI." Barrie Bode/Linda S. Yasui.
Award: $28,000.00. (Cumulative $56,580.00).
August 16, 2016 - August 15, 2017. (Instructional Programs) Instructional Programs.

Funds will support a graduate fellowship for Ms. Van Ai BUI in the biology department to obtain a Master of Science degree.

Evolving Earth Foundation for "Paleontology and paleoecology of the Hell Creek Formation and across the K/Pg boundary in Carter County, Montana, USA." Karen Samonds/Joshua Mathews.
Award: $3,000.00.
May 1, 2016 - August 15, 2016. (Organized Research) Basic Research.

To investigate the paleofauna of the Hell Creek Formation in Montana to study diversity throughout the formation and across the K/Pg boundary.

CAREER SERVICES

Alexian Brothers Medical Center for "Illinois Cooperative Work Study Program Matching Support." Brandon Lagana.
Award: $9,835.00.
March 1, 2016 - June 30, 2017. (Other Sponsored Activities) Public Service.

This program provides valuable career-related work experiences that will offer students professional, hands-on experience applicable to their field of study to complement what is offered in the formal classroom.

Sherman Hospital for "Illinois Cooperative Work Study Program Matching Support." Brandon Lagana.
Award: $9,835.00.
March 1, 2016 - February 28, 2017. (Other Sponsored Activities) Public Service.

This program provides valuable career-related work experiences that will offer students professional, hands-on experience applicable to their field of study to complement what is offered in the formal classroom.

Kishwaukee Community Hospital for "Illinois Cooperative Work-Study Program Matching Support." Brandon Lagana.
Award: $15,000.00.  
March 1, 2016 - February 28, 2017. (Other Sponsored Activities) Public Service.

This program provides valuable career-related work experiences that will offer students professional, hands-on experience applicable to their field of study to complement what is offered in the formal classroom.

Alexian Brothers - St. Alexius Medical Center for "Illinois Cooperative Work Study Program Matching Support." Brandon Lagana.  
Award: $9,835.00. (Cumulative $9,835.00).  
March 1, 2016 - February 28, 2017. (Other Sponsored Activities) Public Service.

This program provides valuable career-related work experiences that will offer students professional, hands-on experience applicable to their field of study to complement what is offered in the formal classroom.

CENTER FOR SOUTHEAST ASIAN STUDIES

Department of Education for "FY2014 Title VI National Resource Centers and Foreign Language and Area Studies Fellowships Program." Judy L. Ledgerwood.  
Award: $262,500.00. (Cumulative $1,270,320.00).  
August 15, 2016 - August 14, 2017. (Instructional Programs) Instructional Programs.

Funds will continue to be used to support the Center for Southeast Asian Studies.

CHEMISTRY AND BIOCHEMISTRY

University of Technology, Sydney for "Advanced Immunogenic Lifting Devices or Fingerprint Detection." Oliver Hofstetter.  
Award: $45,238.00.  

This project involves developing capture reagents capable of interacting with fingerprint components and designing methods for their immobilization on membrane-like support materials.

Award: $13,230.00. (Cumulative $44,972.00).  

The purpose of this project is to prepare, characterize, and improve new materials for energy efficiency and environmental applications.

COLLEGE OF BUSINESS, DEAN'S OFFICE

Award: $25,000.00.  
July 1, 2015 - June 30, 2016. (Instructional Programs) Instructional Programs.

CitiBank for "Executive MBA Contract Courses." Ann Carrel.
Award: $25,000.00.
July 1, 2015 - June 30, 2016. (Instructional Programs) Instructional Programs.

Award: $25,000.00.
July 1, 2015 - June 30, 2016. (Instructional Programs) Instructional Programs.

Fiat Chrysler Automobile for "Executive MBA Contract Courses." Ann Carrel.
Award: $25,000.00.
July 1, 2015 - June 30, 2016. (Instructional Programs) Instructional Programs.

Award: $25,000.00.
July 1, 2015 - June 30, 2016. (Instructional Programs) Instructional Programs.

Motorola Solutions for "Executive MBA Contract Courses." Ann Carrel.
Award: $25,000.00.
July 1, 2015 - June 30, 2016. (Instructional Programs) Instructional Programs.

Award: $25,000.00.
July 1, 2015 - June 30, 2016. (Instructional Programs) Instructional Programs.

Navistar Inc. for "Executive MBA Contract Courses." Ann Carrel.
Award: $25,000.00.
July 1, 2015 - June 30, 2016. (Instructional Programs) Instructional Programs.

Midwest Bone & Joint Institute for "Executive MBA Contract Courses." Ann Carrel.
Award: $25,000.00.
July 1, 2015 - June 30, 2016. (Instructional Programs) Instructional Programs.

Ruth M. Rothstein CORE Center for "Executive MBA Contract Courses." Ann Carrel.
Award: $25,000.00.
July 1, 2015 - June 30, 2016. (Instructional Programs) Instructional Programs.

McKesson Corporation for "Executive MBA Contract Courses." Ann Carrel.
Award: $25,000.00.
July 1, 2015 - June 30, 2016. (Instructional Programs) Instructional Programs.

Award: $25,000.00.
July 1, 2015 - June 30, 2016. (Instructional Programs) Instructional Programs.

AST Corporation for "Executive MBA Contract Courses." Ann Carrel.
Award: $25,000.00.
July 1, 2015 - June 30, 2016. (Instructional Programs) Instructional Programs.
CIGNA for "Executive MBA Contract Courses." Ann Carrel. 
Award: $25,000.00. 
July 1, 2015 - June 30, 2016. (Instructional Programs) Instructional Programs.

Award: $25,000.00. 
July 1, 2015 - June 30, 2016. (Instructional Programs) Instructional Programs.

Fresenius Medical Care for "Executive MBA Contract Courses." Ann Carrel. 
Award: $25,000.00. 
July 1, 2015 - June 30, 2016. (Instructional Programs) Instructional Programs.

Invigorate Corporation for "Executive MBA Contract Courses." Ann Carrel. 
Award: $25,000.00. 
July 1, 2015 - June 30, 2016. (Instructional Programs) Instructional Programs.

Award: $25,000.00. 
July 1, 2015 - June 30, 2016. (Instructional Programs) Instructional Programs.

Award: $25,000.00. 
July 1, 2015 - June 30, 2016. (Instructional Programs) Instructional Programs.

Pentair, Inc. for "Executive MBA Contract Courses." Ann Carrel. 
Award: $25,000.00. 
July 1, 2015 - June 30, 2016. (Instructional Programs) Instructional Programs.

Oracle Corporation for "Executive MBA Contract Courses." Ann Carrel. 
Award: $25,000.00. 
July 1, 2015 - June 30, 2016. (Instructional Programs) Instructional Programs.

PricewaterhouseCoopers for "Executive MBA Contract Courses." Ann Carrel. 
Award: $25,000.00. 
July 1, 2015 - June 30, 2016. (Instructional Programs) Instructional Programs.

Tate & Lyle for "Executive MBA Contract Courses." Ann Carrel. 
Award: $25,000.00. 
July 1, 2015 - June 30, 2016. (Instructional Programs) Instructional Programs.

Parent Petroleum for "Experiential Learning Center Corporate Project." Joan Petros. 
Award: $10,000.00. 
July 1, 2015 - June 30, 2016. (Instructional Programs) Instructional Programs.

Ace Hardware for "Experiential Learning Center Corporate Project." Joan Petros. 
Award: $10,000.00. (Cumulative $10,000.00). 
July 1, 2015 - June 30, 2016. (Instructional Programs) Instructional Programs.
XSPORT Fitness for "Experiential Learning Center Corporate Project." Joan Petros. Award: $10,000.00. July 1, 2015 - June 30, 2016. (Instructional Programs) Instructional Programs.

Plano Synergy for "Experiential Learning Center Corporate Project." Joan Petros. Award: $10,000.00. July 1, 2015 - June 30, 2016. (Instructional Programs) Instructional Programs.

Scot Forge for "Experiential Learning Center Corporate Project." Joan Petros. Award: $10,000.00. July 1, 2015 - June 30, 2016. (Instructional Programs) Instructional Programs.

Caterpillar, Inc. for "Experiential Learning Center Corporate Project." Joan Petros. Award: $10,000.00. July 1, 2015 - June 30, 2016. (Instructional Programs) Instructional Programs.

Miaoli County Government Education Department, Taiwan for "Open Imagination Project." Terry E. Borg. Award: $41,105.00. July 1, 2015 - June 30, 2016. (Instructional Programs) Instructional Programs.

College of Lake County for "Contract Courses." Laurie A. Elish-Piper. Award: $51,000.00. July 1, 2015 - June 30, 2016. (Instructional Programs) Instructional Programs.

Northwestern University for "Great Lakes Practice Transformation Network." James R.
Ciesla/Lisa Kaye Bergeron.
Award: $264,101.00.

NIU will build off its existing work with the Illinois Health Information Technology Regional Extension Center (IL-HITREC) in developing relationships with medical practices to help them achieve clinical transformation.

OSF HealthCare for "Development of Educational Interventions to Improve Non-technical Behaviors of Multidisciplinary Team Members in Care Delivery through Telehealth." Beverly W. Henry.
Award: $29,286.00.

This projects designs, pilots, and evaluates an immersive educational intervention for the improvement of provider-to-provider and provider-to-patient encounters in telehealth.

COLLEGE OF LAW FACULTY

Award: $509,050.00. (Cumulative $2,219,337.00).

Funds will be used to establish a comprehensive support system that will provide foreclosure mediation resources, program development services, training, sustainable system design, and ongoing monitoring and evaluation services to Illinois counties.

COLLEGE OF LIBERAL ARTS AND SCIENCES, DEAN'S OFFICE

Award: $361,940.00.

The major goal of this project is to collect and process data for the Illinois Behavioral Risk Factor Surveillance System in service to the Illinois Department of Public Health.

COLLEGE OF VISUAL AND PERFORMING ARTS, DEAN'S OFFICE

Award: $8,000.00.
July 1, 2015 - June 30, 2016. (Instructional Programs) Instructional Programs.

COMPUTER SCIENCE

Argonne National Laboratory for "Adaptive QoS for Wide-area Data Flows (R&D Internship:
Joshua Boley)." Nicholas T. Karonis.
Award: $29,181.00. (Cumulative $50,864.00).

Funds are being used to develop new methods based on software-defined network (SDN) to provide quality of service (QoS) for end-to-end data transfer in terabit networks.

Argonne National Laboratory for "Community Dashboard Development." Nicholas T. Karonis.
Award: $48,284.00. (Cumulative $144,977.00).

The purpose of this project is to support the Advanced Integration Group in the Argonne Leadership Computing Facility in the area of Planar 4K display.

Global Obesity Prevention Center for "Assessing the impact of zoning policies on fast-foods around schools." Giabbanelli, Philippe/.
Award: $29,983.00.

The goal is to use a quantitative systems approach to understand how combined planning measures around schools affect the English food landscape across different levels of deprivation.

Argonne National Laboratory for "System Software Integration and Development." Nicholas T. Karonis/Brian Toonen.
Award: $211,481.00. (Cumulative $863,057.00).

The purpose of this project is to provide support to ANL's Advanced Integration Group through contributions to cobalt scheduling, port operational assessment reporting, and MPI support.

ELECTRICAL ENGINEERING

Fermi National Accelerator Laboratory for "Photodiodes Service Contract with Fermilab."
Michael J. Haji-Sheikh.
Award: $35,003.00.

The objective of this service project is to produce five to eight wafers of Photodiodes using established processes for Fermilab Inc.

Motorola Foundation for "NIU-Enhancing Engineering Pathways: An integrated Outreach and Mentoring Program to strengthen the STEM pipeline for female students from Middle School to College."
Suma Rajashankar/Mansour Tahernezhadi/Promod Vohra.
Award: $50,000.00.

Funds are requested to strengthen the STEM pipeline for female students from middle school to college.
ENGINEERING TECHNOLOGY

City of Rochelle for "Rochelle Municipal Utility Energy Audits." Kevin Martin. Award: $3,039.00. April 18, 2016 - June 1, 2016. (Other Sponsored Activities) Public Service.

Funds will support energy audits of businesses, municipal units, and other organizations in the Rochelle area.

FAMILY, CONSUMER AND NUTRITION SCIENCES

This award will provide literacy materials for NIU's Campus Child Care.

GEOGRAPHY

Funds will be provided to host the 2016 North Central Regional Cooperative Soil Survey.

The goal of this project is to enhance research methods related to understanding the factors affecting crop yield, and to improve the way in which results of such research are communicated to growers and sponsors' clients.

The purpose of this project is to create various maps for the Village of Carol Stream as well as provide an engaged learning opportunity for Geography graduate students.

HISTORY

This project continues to train staff in the technology and techniques of digitization and digital preservation so that they can rescue archival material from Ghana's pre-colonial history.

ILLINOIS INTERACTIVE REPORT CARD

Innovation and improvement for FY17 in the MyIIRC (Illinois Interactive Report Card) data portal with respect to continuous improvement planning, information-rich student-level PARCC assessment reports, and 21st Century CLC benchmarking tools.

INDUSTRIAL AND SYSTEMS ENGINEERING

Woodward Governor Company for "Senior Design Project - Woodward Air Valve Assembly Line." Purushothaman Damodaran. Award: $7,000.00.
July 1, 2015 - June 30, 2016. (Instructional Programs) Instructional Programs.

Award: $7,000.00.

July 1, 2015 - June 30, 2016. (Instructional Programs) Instructional Programs.

Six-Sigma for "Six-Sigma Workshops." Purushothaman Damodaran.
Award: $92,500.00.

Image Industries, Inc. for "Improving Material Handling for Image Industries." Purushothaman Damodaran.
Award: $24,542.00.

The primary objective of this research study is to optimize material handling at Image Industries.

Award: $32,194.00. (Cumulative $72,326.00).

The primary objective for this project is to aid the company to develop a quality management system with an ultimate goal of getting the ISO 13485 certification.

WestRock for "Improving Material Flow at WestRock." Purushothaman Damodaran/Christine Nguyen.
Award: $17,924.00.

This project will help WestRock streamline their material storage and movement while designing a layout for the new production line.

INTERNATIONAL STUDENT AND FACULTY OFFICE

Department of State for "2016 Fulbright Gateway Orientation." Siew-Sim Chin.
Award: $70,660.00.
February 19, 2016 - September 12, 2016. (Other Sponsored Activities) Public Service.

This program brings the incoming Fulbright student scholars to NIU for a week-long orientation to the Fulbright Program and to U.S. higher education.

LEADERSHIP, EDUCATIONAL PSYCHOLOGY AND FOUNDATIONS

Award: $70,000.00.
The purpose of the project is to examine how students from different social backgrounds experience college life within three distinct academic tracks (honors, developmental, and traditional), within non-selective, four-year universities.

Southern Illinois University at Edwardsville for "IDEA: State Personnel Development Grant - IL IHE Partnership." James Surber/Rebecca Surber.
Award: $12,268.00.
October 1, 2015 - June 30, 2016. (Instructional Programs) Instructional Programs.

The purpose of this project is to support the integration of "Ready to Learn" elements into NIU educator preparation programs.

LITERACY AND ELEMENTARY EDUCATION

American Educational Research Association for "Austin Early Childhood Collaborative."
Samina Hadi-Tabassum.
Award: $2,500.00.

This project will provide research assistance to explore concerns about children performing at grade level by 3rd grade and to provide organizational assistance for the next Early Childhood Educator's symposium for educators in the Austin community.

MECHANICAL ENGINEERING

National Institute of Standards & Technology/Technology Administration/DOC for "NIST Summer Undergraduate Research Fellowship Application for Adam Springer."
Federico Sciammarella/Adam Springer.
Award: $8,875.00.

Funds will support a NIST Summer Undergraduate Research Fellowship for Adam Springer.

United Technologies Corporation for "Enhanced Convective Air Cooling." Pradip Majumdar.
Award: $35,068.00.

NIU will design, analyze, fabricate, and test the efficacy of air deflection devices which are intended to enhance the cooling of electronic components.

NORTHERN PUBLIC RADIO

Corporation for Public Broadcasting for "FY16-17 Community Service Grant." Staci Hoste.
Award: $224,557.00.
October 1, 2015 - September 30, 2016. (Other Sponsored Activities) Public Service.

Funds are being used to support high quality public programming.

Illinois State Library for "Illinois Radio Information Service Grant for Service to the Blind and
Physically Handicapped." Staci Hoste.  
Award: $23,183.00.  
July 1, 2015 - June 30, 2016. (Other Sponsored Activities) Public Service.  

Funds are used to provide informational services for persons who cannot read conventional print due to visual or physical disability, and because individual libraries cannot provide such services.

NURSING

Award: $173,089.00. (Cumulative $371,583.00).  

The project will identify unique risk factors for poor mental health among bisexual women and provide data necessary to inform future intervention and prevention efforts among this population of women.

Award: $17,929.00. (Cumulative $35,768.00).  

This project is submitted as part of the Rehabilitation Institute of Chicago's grant proposal "Developing Optimal Strategies in Exercise and Survival Skills to Increase Health and Function" submitted to NIDDR.

OUTREACH, ENGAGEMENT, AND REGIONAL DEVELOPMENT, VP

Illinois State Board of Education for "Rochelle Migrant Education Program." Amy Jo Clemens.  
Award: $114,009.00.  
March 15, 2016 - August 31, 2016. (Other Sponsored Activities) Public Service.  

The Rochelle Migrant Education Program is a comprehensive summer school program offering migrant children a full range of academic and support services including instruction in research-based reading and math programs, tutoring, and enrichment activities.

PHYSICS

Award: $107,669.00. (Cumulative $629,781.00).  

Funds will be used for NIU's participation in the ATLAS Project through the simulation of a particle detector response.

Argonne National Laboratory for "Fabrication and characterization of superconducting
nanostructures." Zhili Xiao.
Award: $32,282.00. (Cumulative $79,684.00).

Funds are being used to develop approaches to probe the effect of an array of artificial defects on a superconductor.

Award: $50,000.00. (Cumulative $150,000.00).
July 1, 2016 - June 30, 2017. (Organized Research) Basic Research.

This project is to study the relations between observable quantities measured at colliders and the underlying parameters of the Standard Model, by performing relevant calculations in a more accurate and detailed approximation than ever before.

Award: $50,000.00. (Cumulative $150,000.00).
July 1, 2015 - June 30, 2016. (Organized Research) Basic Research.

This project is to study the relations between observable quantities measured at colliders and the underlying parameters of the Standard Model, by performing relevant calculations in a more accurate and detailed approximation than ever before.

Department of Energy for "Nonlinear Dynamics & Phase Space Manipulations of High-Brightness Beams." Bela Erdelyi/Philippe R. Piot.
Award: $100,000.00. (Cumulative $300,000.00).
April 1, 2016 - March 31, 2017. (Organized Research) Basic Research.

The project consists of two research thrusts: (1) production, phase-space manipulations, and applications of high-brightness electron beams and (2) computational beam and accelerator physics at the intensity frontier.

Fermi National Accelerator Laboratory for "Project Controls Specialist Support for the MUON g-2 Project." Michael Eads.
Award: $177,480.00.

Funds are used to support the MUON g-2 project controls specialist Cary Yoshikawa.

Award: $42,311.00. (Cumulative $163,033.00).

The purpose of this project is to study the effects of local lattice distortions and short-range correlations on the unusual physical properties of novel materials, such as iron based superconductors and relaxor ferroelectrics.
Department of Energy for "eSHIVA in IOTA: experiment on Stochasticity in High Intensity Variable Accelerators." Swapan Chattopadhyay/Bela Erdelyi.
Award: $200,000.00.
May 1, 2016 - April 30, 2017. (Organized Research) Basic Research.

Funds are requested to investigate integrable nonlinear dynamics with self forces in intense beams with the goal of developing highest power neutrino beams probing the frontier of particle physics.

Brookhaven National Laboratory for "Contributions to the Development of a photon detector system for the DUNE Liquid Argon TPC Detector." Vishnu V. Zutshi.
Award: $96,523.00.

Funds are requested to set up infrastructure for the evaluation, characterization and long-term performance of Silicon Photomultipliers (SiPMs) in a cryogenic environment, study SiPM parameters and performance in warm and cold conditions.

National Science Foundation for "Using the Higgs boson to probe and test the Standard Model at ATLAS." Jahred Adelman.
Award: $139,533.00. (Cumulative $277,284.00).
July 1, 2016 - June 30, 2017. (Organized Research) Basic Research.

The proposed project aims to use the newly discovered Higgs boson as a probe of the validity of the Standard Model (SM) of particle physics.

Award: $38,494.00.

This project is to support the research and supervision activities of NIU's Professor Omar Chmaissem within the Neutron and X-ray Scattering (NXRS) Group of the Materials Science Division at Argonne National Laboratory.

PRECOLLEGIATE PROGRAMS

Department of Education for "Upward Bound Program." Felicia R. Bohanon.
Award: $436,320.00. (Cumulative $2,330,263.00).
June 1, 2016 - May 31, 2017. (Other Sponsored Activities) Public Service.

Funds will be used to identify, select, and provide academic support to 117 low income, potential first generation college students who lack the adequate preparation to successfully pursue a postsecondary education.

PSYCHOLOGY

LivingRite The Center for Behavioral Health for "Evidence Based Treatment for Anxiety
Disorders and Related Conditions: Dissemination and Application in the Local Community.
David P. Valentiner.
Award: $15,000.00.
July 1, 2016 - June 30, 2017. (Other Sponsored Activities) Public Service.

THE PD will provide clinical services to LivingRite, including a combination of supervision of trainees, consultation for professional staff, and direct services such as psychotherapy and assessment.

Vantage Leadership Consulting for "Psychology Externship at Vantage Leadership Consulting."
