Change in Major Request Form

To be completed by the student

This request form is to make a change in the major/field of study on your Form I-20. This form must be completed by the student. You are responsible for maintaining an accurate and updated I-20 with the International Student and Faculty Office. You must notify the ISFO of any changes in your major/field of study immediately so that ISFO can process and print a new Form I-20 with the proper corrections.
