Hello Huskies!

Welcome to NIU. We are excited that you are a part of our community and the new Office of Military and Post Traditional Student Services!!!!

Established in August of 2005, Off-Campus & Non-Traditional Student Services was formed in order to serve the needs of off-campus (any off-campus or commuter student) and non-traditional students. Ten years later, the office merged with Military Student Services to become the new Office of Military and Post Traditional Student Services. A post traditional student may identify as any of the following: is 24 years old or older, has a dependent or children, is a military or veteran student, is married/divorced/widowed, is enrolled part-time, commutes, transferred, is an online learner, or lives off-campus. We understand that the life of a post traditional student can be very different from that of the typical college student. We realize that you have many more responsibilities outside of your role as a student. Many of you work, have families, and have other obligations you have to balance. You certainly have unique challenges, and we are here to help make your college career a little smoother.

We cannot succeed at our job if you are not successful. You represent one of the most difficult student populations to connect to campus due to your unique challenges. We want to provide you with the space, programming, and services necessary to help with your success. Please stop in and visit our office and lounge space located in Holmes Student Center, rooms 023J and 023K (lower level near the Orientation office), call us at 815-753-9999.

Take time to check out our web site and the many programs and support services we provide. As more veterans and post traditional students become aware of our office, we would like to create additional programs and services to meet your needs. If you have any ideas that would improve the life of veteran and post traditional student, please feel free to contact our office so that we may develop different resources to assist you.

We look forward to working with you.

Military & Post-Traditional Student Services in the merged department of the offices formerly known as Off-Campus & Non-Traditional Student Services and Military Student Services. The two offices have combined to offer the same great services as before with more staff and resources to better assist our student populations. We are still the home for assisting our Veterans, active duty, reserves and National Guard with VA and state educational benefits. Students can speak individually with a benefits counselor during normal NIU hours of operation at the Campus Life Building 240.

Military students are also part of the larger group known as Post-Traditional Students. These students often didn’t start their four-year collegiate experience straight out of high school or lived in a university residence life program. Post-Traditional students are our adult students, transfer students, commuter students, off-campus students and our student parent populations.

Military & Post-Traditional Student Services is designed to be a one-stop shop for our student population that provides support, resources and a place to call home. In the basement of the Holmes Student Center, students can access the MPTSS Lounge with computers and kitchen area as well as touch base with staff members waiting to assist with transition and academic support.

While the MPTSS resources can be accessed year round with many available online, the office is also a home for programming meant to assist students whether it be academically with tutoring, job-networking, off-campus housing assistance or social engagement. Please check the MPTSS website and Facebook pages for all updates regarding programming throughout the calendar year.
NIU Commuter Parking Tips

This section will provide you with valuable tips to assist you in your pursuit of successful and positive parking experiences on campus.

- Typically, parking is more difficult in the first two weeks of each semester. Parking is strictly on a first-come, first-served basis. Arrive on campus early. We suggest allowing at least 15 minutes to locate a spot and to walk to class.

- Do not park in reserved spaces; you face a $100 fine, and may have your vehicle towed.

- Report non-working parking meters to Campus Parking Services at (815) 753-1045.

- Parking lots close to classrooms are typically full 9:00 a.m. - 2:00 p.m.

- Read the NIU parking regulations you received with your permit.

- If you have car trouble while traveling NIU’s DeKalb campus, call the Department of Public safety at (815) 753-1212.

NIU Library

The Northern Illinois University libraries system consists of the Founders Memorial Library, branch libraries that include Faraday Library, the Map Library, the Music Library, NIU Hoffman Estates Library, NIU Naperville Resource Center, NIU Rockford Library, and the Regional History Center/University Archives.

The university libraries contain over two million volumes as well as periodicals, government publications, microforms, maps, recordings, audiovisual materials, and electronic databases.

NIU libraries are participants in the I-share online catalog system, a network involving 71 academic institutions throughout Illinois. Using computer workstations in the libraries, via dial-up, or the internet, users may immediately determine which libraries own desired research materials. Materials not owned by NIU can be obtained quickly from other I-share member libraries.

Founders Memorial Library, the main library, has six levels with 314,000 square feet of space and seating capacity for 1,600 students. The first floor houses key library services including the circulation desk, the reference desk, services to students with disabilities, library instruction, the information desk, document delivery services, the reserves collection, periodicals collection, and the newspaper reading room. Microforms and government publications are located on the second floor; rare books and special collections and the Southeast Asia collection are on the fourth floor. The upper three floors house circulating books and non-print materials.

Similarly, the music library serves the music curriculum, and the map library contains maps and atlases for research in geography. NIU Hoffman Estates Library, NIU Naperville Resource Center, and NIU Rockford Library service the needs of library users at those sites. Regular, interim, and holiday hours are posted near the entrance to each library.

Students’ Legal Assistance

The Students’ Legal Assistance staff is composed of two full-time licensed attorneys, an office manager/staff secretary, three law students from the NIU College of law who serve as law clerks, and three undergraduate students on work-study. All current fee-paying students are eligible for their services, which is pre-paid through allocation of the student activity fees. Clients are responsible for all court fees, litigation expenses, fines, and judgments.

Students’ Legal Assistance was opened in the fall of 1972 as a result of the leadership of the NIU student association and progressive support of the NIU administration. The program was born of the idea that it is vitally important to make legal assistance available to the thousands of NIU students who, because of economic inability, would otherwise be unable to participate in the due process system.

For over twenty years, the attorneys worked as independent contractors, becoming University employees in 1993 pursuant to a “shared Governance agreement” entered into between the University and the student association. The shared Governance agreement created the Students’ Legal Assistance Review Committee composed of the students and university administrators who provide programmatic oversight. Students’ Legal Assistance is funded entirely by student activity fees as allocated by the student association and is part of the Division of Student Affairs, which provides administrative support and guidance.

The Students’ Legal Assistance attorneys provide consultation, advocacy, and court representation services, as appropriate, to students in a wide variety of cases including:

- Landlord/tenant
- Criminal misdemeanor
- Traffic and ordinance violations
- Consumer (debt collection, contracts, etc.)
- Domestic relations
- Insurance
- Discrimination

Students’ Legal Assistance also provides notary and voter registration services. For more information, please call (815) 753-1701 or visit their website at: http://www.niu.edu/legal/.
