Admissions Requirements & Transfer Recommendations

To be eligible for admission to the BS in Technology degree-completion program, with an emphasis in Applied Manufacturing Technology, you must have completed – or be working to complete – an Associate of Applied Science (AAS) degree in a technology-oriented related field (see Technology Area of Study, below). If you do not have a related AAS degree, contact NIU’s Program Advisor to explore additional options.

Prospective transfer students should do the following:

1. Contact NIU’s Program Advisor, to review your credentials and create a bachelor’s degree completion plan.
2. Complete and submit an online application for admission at www.niu.edu/admissions/apply ($40 application fee) along with official copies of academic transcripts to the Office of Admissions. NIU’s Transfer Center can be reached at (800) 892-3050 or transfercenter@niu.edu.
3. Work with your community college advisor – and NIU’s Program Advisor – to select the best courses for transfer (i.e., General Education and Program Pre-requisites, many of which can be incorporated into an AAS degree program. See below for more details.

Academic Requirements

Undergraduate students must successfully complete all NIU graduation requirements and earn a minimum of 120 semester hours, including general education requirements and 40 hrs in upper-division (300-400 level) courses. Approved transfer courses may be used for these requirements. Students must earn a minimum of 30 hrs at NIU and maintain a minimum cumulative 2.00 (“C”) grade point average.

1. General Education and Technology Foundations: Students must complete the following. Consult NIU Articulation Tables for all course equivalents at www.admissions.niu.edu/admissions/transfer/credits/.

</table>

*Approved transfer courses may be used for credit in these requirements.
2. **Technology Area of Study**

Up to 43 semesters hours of credit for prior learning, from an approved technical Associate of Applied Science degree, may be applied toward the BS in Technology degree-completion program with the consent of the Department Chair and Program Advisor.

The following **TRITON COLLEGE** AAS degrees are approved technology programs.

- Architecture
- Automotive - General Motors/AC Delco
- Automotive Service Department Management
- Automotive Technology
- Engineering/Mechanical Design Technology
- Facilities Engineering Technology
- Independent Building Contractor

If you have questions about other programs, not listed here, contact the NIU program advisor (above) to review.

3. **NIU Technology Courses**

   a. **Required NIU Technology Courses (24 semester hours)**
      - TECH 391: Industrial Quality Control
      - TECH 404: Supervision in Industry
      - TECH 406: Facilities Management Technology
      - TECH 429: Plant Location, Layout & Materials Management
      - TECH 432: Disaster Preparedness
      - TECH 434: Human Factors in Industrial Accident Prevention
      - TECH 492: Manufacturing Distribution Applications
      - TECH 496: Industrial Project Management

   b. **NIU Technology Electives (6 semester hours)**
      - TECH 305: Green Technologies
      - TECH 402: Industrial Training & Evaluation
      - TECH 435: Legal Aspects of Safety
      - TECH 442: Work Simplification & Measurement
      - TECH 444: Manufacturing Control Systems
      - TECH 484: Energy Management
