NIU Smoke-Free Campus Policy

As of July 1, 2015, and in accordance with the Smoke Free Campus Act (Public Act 99-0536), smoking is prohibited on allNIU properties. Campus Property is defined as property that is owned, leased, occupied, or otherwise controlled by Northern Illinois University, both indoor and outdoor and in vehicles owned by individuals.

This policy applies to all individuals, including but not limited to students, faculty, staff, other employees, contractors, subcontractors, visitors, vendors, guests, and other non-employees present on campus as applicable 24 hours a day, seven days a week.

The prohibition includes using andlor carrying any kind of ignited smoking material, but does not include unattended tobacco products that are not being used or are not being carried, such as cigarettes, cigars, pipes, and tobacco products.

This prohibition does not include smoking associated with a managed clinical trial or research activity by American Indians and Alaska Natives that is exclusively conducted for the purpose of approved medical or scientific research.
