Communicative Disorders

Listed below you will find study abroad programs that have classes in *Communicative Disorders* (speech-language pathology, audiology, medical sciences, dentistry, physical or occupational therapy, community health, physiology, psychology, linguistics, education, rehabilitation counseling or law). Students should meet with a Study Abroad Program Coordinator as well as their academic advisor to learn about current program offerings in their major or minor. All course prerequisites must be met in order for students to enroll in any course for study abroad. Course work counts toward students’ grade point average. (See below for program provider key.)

**International Internship Opportunities**
Unpaid; for academic credit only

- Dominican Republic – Provider: ISA
