Geography

Listed below you will find study abroad programs that have classes in the following majors and/or minors; Geography, Meteorology, Area Studies, Geographic Information Systems, and Urban Economic Systems. Students should meet with a Study Abroad Program Coordinator as well as their academic advisor to learn about current program offerings in their major or minor. All course prerequisites must be met in order for students to enroll in any course for study abroad. Course work counts toward students’ grade point average.

International Internship Opportunities
Unpaid; for academic credit only
