Medical Laboratory Sciences

Listed below you will find study abroad programs that have classes in Medical Laboratory Sciences. Students should meet with a Study Abroad Program Coordinator as well as their academic advisor to learn about current program offerings in their major or minor. All course prerequisites must be met in order for students to enroll in any course for study abroad. Course work counts toward students' grade point average. (See below for program provider key.)

**International Internship Opportunities**
Unpaid; for academic credit only
