HIGH SCHOOL

STEM WITH PURPOSE INTERNATIONAL
July 10 - August 5. Residential. Students from around the world, come together to investigate STEM, learn problem-solving skills, and work together to improve our world. Register for two or more of the four weeks. Choose from five exciting topic tracks. (815) 753-0533 or STEMoutreach@niu.edu.

JOURNALISM
July 10-13. Residential. Learn what it takes to be a working journalist by generating story ideas, assigning stories, reporting, writing, shooting photos, editing, writing headlines, and laying out stories for an in-camp paper and website. (815) 753-5200 or LASPE@niu.edu.

THEATRE ARTS
July 17 - 22. Residential. Enjoy a week packed with rehearsals, workshops, acting classes, theatre games, and improvisation. Each camper receives coaching to reach theatrical goals. (815) 753-1450 or ksherman2@niu.edu.

VISUAL ARTS
July 17 - 22. Residential. Serious artists, participate in exciting, diverse, and creative art experiences. Be innovative as you experiment with new materials, techniques, and ideas while producing portfolio-quality work. (815) 753-1450 or ksherman2@niu.edu.

TV BROADCASTING
July 17 - 22. Residential. White, shoot, anchor, and edit a full news package as you learn what it’s like to work in an actual newsroom. (815) 753-5200 or LASPE@niu.edu.

ATHLETICS

Top collegiate coaches mentor young athletes at NIU’s facilities. Campers are grouped according to age and skill level. Additional camps and dates at niuhuskies.com/camps

Men’s Youth Camp. June 11-16

Women’s Youth Camp. June 20-21

Football. June 4-18. Grades 9-17 (ages 14-18)

Soccer. June 13-16 or 20-23. Ages 6-12

Women’s Elite Prospect Overnight Camp. July 11-14. Grades 10+ (ages 16+)

Volleyball. June 8-15 or July 10-16. Grades 6-12 (ages 12+)

GO.NIU.EDU/SUMMERCAMP

Summer camps at NIU
VIDEO GAME DESIGN: KODU
Use computer-based tools to design and prototype a playable video game. Campers will develop skills in complex problem solving, working in teams, project management, and designing with Kodu. (815) 753-0537 or ackles@niu.edu.

CREATIVE WRITING
June 26-July 1. Residential.
Develop skills in writing poetry, fiction, and creative non-fiction, and learn to go and accept constructive criticism. Journals, free-writing, guided writing, structured exercises, and revision strategies are all part of the week’s activities. (815) 753-5200 or LASEP@niu.edu.

NANOTECHNOLOGY: INVENT THE FUTURE
June 27-July 1. Residential.
Create and innovate while investigating the science and technology of nanotechnology. Participants create hands-on nano experiments and engage in problem-solving activities with others in creative activities. (815) 753-5200 or LASEP@niu.edu.

THEATRE ART CAMP JUNIOR
Group of young theater artists will explore movement, acting, public speaking, voice acting, and stage makeup. (815) 753-1450 or ksherman2@niu.edu.

VIDEO GAME DESIGN: GAMEMAKER
Use computer-based tools to design and prototype a playable video game. Campers will develop skills in complex problem solving, working in teams, project management, and designing with Gamemaker. (815) 753-1677 or akchinn@niu.edu.

THEATRE ART CAMP JUNIOR
Group of young theater artists will explore movement, acting, public speaking, voice acting, and stage makeup. (815) 753-1450 or ksherman2@niu.edu.
