HDFS 280 Human Development, the Family and Society Proficiency Examination

Course Description: A survey of human growth and development from conception to death with emphasis on interaction and socialization process.

Proficiency exam: The examination consists of 123 multiple choice items. Two hours of testing time are allowed.

The minimum passing score is 98 test items answered correctly (and 80%).
Upon successful completion of the examination, three (3) hours of credit for HDFS 280, Human Development, the Family and Society will be granted.

Note: Students may not earn proficiency credit for a course for which they have received credit; nor may they receive credit for courses which substantially overlap or are prerequisite to any in which they are enrolled or for which they have received credit. Normally, a student may attempt to gain proficiency credit for a particular course only once (Academic Regulations, Proficiency Examinations)

Registration: This exam must be scheduled in advance with Testing Services, Adams Hall 128. Phone 815-753-1203 Fax: 815-753-3701.

Results: Results will be available immediately following completion of the exam.
