Student Acknowledgement/Authorization:

- Financial aid will not pay for remedial coursework or any courses that do not apply and transfer as college credit to the student's degree at NIU.
- Enrollment guidelines affecting specific programs are as follows:
 - o **Federal Pell Grant:** Awards based on full-time (12 or more hours), three-quarter time (9–11), half-time (6–8), or less than half-time (1–5) enrollment based on total hours enrolled.
 - o **Illinois State Monetary Award Program (MAP):** Awards based on total hours enrolled at qualifying Illinois schools, 15 hours for full award or pro-rated based on hours enrolled. NIU will bill the Illinois Student Assistance Commission (ISAC) for the MAP award based on hours and charges from both schools. **IF** the award is more than the tuition and fees at NIU, the appropriate funds will be forwarded to the other school.
 - o **Federal SEOG & Perkins Loan:** Must be enrolled for at least 9 hours at NIU.
 - o **Federal Direct Loan Program (Stafford Loan and/or PLUS):** *(A consortium agreement is not necessary if the student is already enrolled half-time at NIU and is ONLY eligible for loans).* Undergraduate students and Students-at-Large must be enrolled for at least 6 hours per semester. Graduate students must be enrolled for 4.5 hours per semester.
 - o **Federal Work-Study:** Must be enrolled for at least 6 hours at NIU.
- For students who are enrolled concurrently (at the NIU and host school for the same semester), the consortium agreement will not be processed until after the add/drop period at NIU to ensure the student's enrollment is finalized.
- The student is responsible for any expenses (i.e., tuition, fees, books) charged by the host school prior to when NIU financial aid is disbursed/available (after the add/drop period at NIU). Financial aid will not be disbursed until NIU receives the consortium agreement completed by all parties (but not prior to the add/drop period at NIU).
- If a student is enrolled at NIU and the host school, the student's financial aid will first be applied to their balance at NIU. If there are additional funds, they will be refunded to the student by the Bursar's Office. It is the student's responsibility to use any remaining financial aid funds and/or their own financial resources to pay the host school charges.
- If a student is enrolled only at the host school, the student's financial aid will be sent directly to the host school to pay their charges there unless documentation is provided the bill is already paid at the host school.
- Refunds will be sent to the host school for tuition specific awards (i.e. MAP Grant) if the award amount is greater than the student's tuition and fee charges at NIU per state regulations.
- An official transcript of the classes for which the student is receiving financial aid must be sent to and accepted by NIU's Office of Registration and Records as transfer credit before another consortium agreement will be reviewed.
- The student must inform the NIU Financial Aid & Scholarship Office in writing if they drop any courses at the host school.
- Consortium agreements will not be approved for previously completed semesters. The consortium agreement must be submitted at least 4 weeks prior to the end of the semester in which aid is requested.
- Consortium agreements where the student has no enrollment at NIU will only be completed for a maximum of two semesters, excluding summer semesters. This agreement is for only one semester of enrollment.

A student must be enrolled at least half-time per semester at NIU (6 hours for undergraduate and 4.5 hours for graduate students) unless documentation is received and approved supporting the student's decision to be less than half-time at NIU. A final decision to process the consortium will be made by the NIU Financial Aid & Scholarship Office. Student must explain here or on a separate page why they will be enrolled less than half-time at NIU:
