All International Students must complete a Tuberculosis (TB) Screening Questionnaire with the Immunization Compliance office by the 10th day of their first semester, to determine if they are required to get a QuantiFERON Gold blood test completed. **The Immunization Compliance office is on the 2nd floor of the Health Services building.**
Immunization Requirements:
On August 5, 2016, the Illinois Department of Public Health changed the college immunization code (77 Ill. Adm.Code 694), to require:

- Three (3) vaccines that contain Tetanus/Diphtheria/Pertussis, one of which must be Tdap vaccine. The last dose of vaccine must be within 10 years. Vaccines must be at appropriate intervals (#1 & #2 at least 28 days apart, #3 no less than 6 months after #2). Tetanus Toxoid (TT, or Tetanus) is not acceptable.
- Two (2) Measles, Mumps, Rubella (MMR) valid vaccines after the first birthday, at least 28 days apart. If students are unable to provide proof of vaccines, serologic evidence (IGG antibody titers), copy of lab report to prove positive immunity is acceptable.
- One (1) Meningococcal conjugate vaccine after the age of 16 for newly admitted students starting Spring 2017 under the age of 22. Meningitis or Meningococcal vaccinations are not acceptable.

All International Students must complete a Tuberculosis (TB) Screening Questionnaire with the Immunization Compliance office by the 10th day of their first semester, to determine if they are required to get a QuantiFERON Gold blood test completed.

Please submit immunizations by the following dates:
Fall term enrollment: August 1
Spring term enrollment: January 1
Summer term enrollment: June 1

Document Submission:
Immunizations do not have to be submitted on the NIU Immunization History form. You can submit verified documents from your high school, university or college, military, etc as well as your health care provider.

- Fax documents to 815-753-9599
- Or
- Scan and Email to ImmunizationRecords@niu.edu
- Or
- Mail to: Northern Illinois University, Immunization Compliance Office, DeKalb, IL 60115-2828
- Or
- Bring into Health Services Building, Immunization Compliance office, 2nd floor.

Your records are not complete until they have been reviewed and verified by the Immunization Compliance office. All records must be in English and legible. You will be notified via your NIU Z-ID email account of your immunization status upon receipt and review. Please note that a physical examination is not required for admission.

Exemptions and Assistance:
Contact the Immunization Compliance Office 815-753-9585 for exemption information, (e.g., students born before 1/1/1957), Medical or Religious. Note re-entering students must contact Immunization Compliance office to verify current immunization status.

Compliance:
Failure to comply with the above State of Illinois Immunization requirements will result in a late processing fee and registration hold.
