Applicants must complete a limited admissions application which will include a letter of interest …

If the student has a prior criminal record, he or she may not be able to complete the program or required courses.

**Requirements for Accelerated B.S. in Kinesiology/M.S. in Athletic Training**

The accelerated sequence leads to both a B.S. in kKinesiology and an M.S. in aAthletic tTraining degrees. Students who want to complete this program must identify themselves to the Department of Kinesiology and Physical Education as undergraduate majors, ideally in their first semester on campus, and gain successful entry to the M.S.A.T. program. Admission to the M.S.A.T program will be on a competitive basis, and the likelihood of admission will depend on the number and quality of the applicants to the program.

Eligibility requirements for application to the M.S.A.T. program through the accelerated B.S. in kKinesiology program are:

- Undergraduate majoring in kKinesiology
Completion of at least 90 semester hours of undergraduate designated course work as approved by advisor

Minimum of 3.0 GPA

Completion of all application requirements, including application to the graduate school, statement of purpose, resume, three letters of recommendation, minimum of 50 observation hours with a BOC certified athletic trainer within the last 10 months prior to application, and transcripts for all college course work. Qualified applicants will undergo a pre-admission interview. The GRE is not required for admission.

Admission will be on a competitive basis, and the likelihood of admission will depend on the number and quality of the applicants to the program, the number and quality of applicants to the M.S.A.T in general, as well as other factors normally considered in admissions decisions by the Graduate School and the Athletic Training program.

Failure to meet requirements of the accelerated sequence may lead to a B.S. degree only, but only after all the requirements for that degree have been met. Students are required to fulfill all requirements for the M.S.A.T. degree mentioned in the previous section in order to be awarded this degree.
